We are announcing the WSCS General Assembly 2006 at this early date to give as many members as possible a chance to plan their travel. We intend to make special arrangements while also combining the event with a sturgeon study tour. Those interested may contact either the home office of WSCS (president's personal e-mail see below) or the local organizer and WSCS Foundation Member Dr. Paolo Bronzi (for his affiliation click the button „contact“ on the WSCS website and click again on the world map „Mediterranean“). Dr. Bronzi can also be reached via his cell phone (xx39- 346 – 3504 723).

Looking forward to see as many of you as possible. This will be an important meeting for many reasons, among them the is the affiliation of local Sturgeon Conservation Societies to WSCS. If you have any question with regard to the General Assembly and your possible participation, please do not hesitate to contact us.

Neu Wulmstorf, 10. February 2006
